Case 04-31467-JKF Doc 10 Filed 09/16/04 Entered 09/16/04 15:51:34 Desc Main GENERAL PRINCIPLES APPLICABLE 4 Desc Main

This is the voluntary Chapter 13 reorganization plan of the debtor(s). The debtor(s) understand and agree that the Chapter 13 plan may be extended as necessary by the Trustee, to not more than 60 (sixty) months in order to insure that the goals of the plan have been achieved.

All pre-petition debts are paid through the Trustee. Additionally, ongoing payments for vehicles, mortgages and assumed

leases are also paid through the Trustee, unless the Court orders otherwise.

Percentage fees to the trustee are paid on all distributions at the rate fixed by the United States Trustee. The Trustee has the discretion to adjust, interpret and implement the distribution schedule to carry out the plan. The Trustee shall follow this

standard plan form sequence unless otherwise ordered by the Court.

The provisions for payment to secured, priority and specially classified creditors in this plan shall constitute claims in accordance with Bankruptcy Rule 3004. Proofs of claim by the Trustee will not be required. The Clerk shall be entitled to rely on the accuracy of the information contained in this plan with regard to each claim. If the secured, priority or specially classified creditor files its own claim, then the creditor's claim shall govern, provided the debtor(s) and debtor(s)' counsel have been given notice and an opportunity to object. The Trustee is authorized, without prior notice, to pay claims exceeding the amount provided in the plan by not more than \$250.

Should a pre-petition creditor file a claim asserting secured or priority status that is not provided for in the plan, then after notice to the Trustee, counsel of record (or the debtor(s) in the event that they are not represented by counsel), the Trustee shall

treat the claim as allowed, subject to the debtor(s)' successful objection.

Both of the preceding provisions will also apply to allowed secured, priority and specially classified claims filed after the bar date. LATE-FILED CLAIMS NOT PROPERLY SERVED ON THE TRUSTEE AND THE DEBTOR(S)' COUNSEL OF RECORD WILL NOT BE PAID. The responsibility for reviewing the claims and objecting where appropriate is placed on the Debtor.
